Collision Bend Brewing Company Celebrates Oktoberfest on the Cuyahoga

Brewmaster Luke Purcell introduces Oktoberfest RiverFest Beer available Sept. 24

Cleveland – For a limited time, Collision Bend Brewing Company is celebrating Fall Oktoberfest in true riverside fashion with the introduction of its specialty hand-crafted RiverFest beer.

From Sept. 24 to Oct. 3, Collision Bend will feature RiverFest beer along with traditional Oktoberfest fare including homemade bratwurst, sauerkraut, potato dumplings and Bavarian pretzels served with German-style mustards.

The first RiverFest keg will be tapped by Brewmaster Luke Purcell Sunday, Sept. 24 in grand fashion. The day's events run from noon to 8 p.m. The event includes live music, special tastings and televising of the Cleveland Browns and Indianapolis Colts football game.

Collision Bend Brewing Company's RiverFest beer is a Marzen-style beer with medium body and displays a dark amber color. The beer's non-hoppy crisp taste finishes sweet due to its caramelized malt ingredient, which is ideal for paring with celebratory German fare during Oktoberfest feasts.

"We are excited to celebrate Oktoberfest with some truly hand-crafted brews and traditional Bavarian cuisine," said Purcell. "RiverFest beer toasts its name to the celebrated Cleveland summer parties along the Cuyahoga River in years past where thousands of visitors shared what made the Flats a truly unique place to enjoy a pint."

Reservations for Sunday Sept. 24 are encouraged, and menu items will be available through Oct. 3.

About Collision Bend Brewing Company

Collision Bend Brewing Company was named for the commercial ships that navigated the narrow and crooked passages along the Cuyahoga River. Hand-crafted artisanal beers and Southern California street food comprise this unique dining and social experience.

With seating for 200, the brewery features a wood-burning pizza oven, three bars, outdoor seating for an additional 150 people and a brewer's room that accommodates private parties, tastings and events. Boats can dock along the patio, and parking is located on the property with an onsite valet. For more information visit. www.collisionbendbrewery.com
